**SANCTUARY
REMODEL PROJECT**

BEGINS JULY 21ST

As a part of Sanctuary Project, the old green carpet, which has been in our Sanctuary for over forty years must be replaced.

This is a very sentimental process for many people and we understand the amazing history this carpet has witnessed of what God has done in their lives.

We have already begun some repairs but the costs are significant. We are asking you to make a donation to the Heritage Fund that will help cover the expenses of this project.

Thank you in advance for your partnership!
